And, attached is the Rule 301 Parallel Processing request! It may not be able to be overnighted today, but we will get it out quickly in the morning.

Thanks,
Carol

Subject: South Coast Approval Clarifications Letter

John,
As we discussed previously, attached is the South Coast clarifications letter signed today. The Rule 301 parallel processing letter is in for final signature and should be signed very soon. Kurt was talking with Richard when I stopped down a short time ago.

Thanks,
Carol
